

IEEE Journals Library Plus

IEEE *Xplore*[®] Digital Library Subscription Option

Stay competitive with the most current technology research

IEEE Journals Library Plus provides unlimited, full-text access to all IEEE journal and magazine articles published in the current year and previous two years, plus 500 document downloads to view other articles from the IEEE *Xplore* digital library. Stay on top of emerging technologies with access to the leading research used by today's most innovative companies.

IEEE Journals Library Plus delivers key benefits for your research team:

- **Drive new ideas**, designs, and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research without having to reinvent the wheel
- **Accelerate innovation** with convenient access to proven research all in one place
- **Share vital information** with a company-wide online file cabinet

See what your colleagues are reading with the IEEE *Xplore* file cabinet

Share downloaded documents with colleagues by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to work together and fuel innovation.

Note: The shared file cabinet stores a maximum of 10,000 documents
