IEEE *Xplore*® Digital Library Subscription Option

Superior technology research—and a subscription that grows with your company

Advance innovation with the IEEE *Xplore* digital library subscription designed for organizations with growing research needs. IEEE Enterprise provides access to technology's most trusted research—from IEEE and other highly regarded publishers—with **flexible pricing levels** that meet the needs and budgets of any size company.

IEEE Enterprise delivers key benefits for your research team:

- **Drive new ideas,** designs, and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research without having to reinvent the wheel
- **Accelerate innovation and patent development** with convenient access to proven research all in one place
- **Share vital information** with a company-wide online file cabinet

See what your colleagues are reading with the IEEE *Xplore* file cabinet

Share downloaded documents with colleagues by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to work together and fuel innovation.

Note: The shared file cabinet stores a maximum of 5,000 documents
