

Petroleum & Natural Gas Organizations Innovate with IEEE Information

Whether you're researching alternative fuels, fuel exploration, energy conversion, or any other petroleum and natural gas technology, IEEE is your gateway to the most vital information in the industry today. With the intuitive IEEE *Xplore*® digital library, you'll find the journal articles, conference proceedings, and standards needed to lead energy innovation—and boost your company's bottom line.

IEEE Information Drives Technology Patents

Today's corporations deliver new patented technologies at an ever-increasing pace, based on cutting-edge petroleum and natural gas research. Patent references to IEEE papers have increased 864% since 1997 and recent studies of the top patenting companies show that **IEEE scientific and technical articles are cited nearly 3 times more often than any other scholarly or commercial publisher.**

Patent References from the Top 5 Publishers

IEEE Leads Petroleum and Natural Gas Technology

IEEE enables innovation as a leading developer and producer of content across a wide range of industries, from standards to conferences, eBooks, and eLearning courses for aspiring individuals and growing organizations. Below is a sampling of IEEE content.

Journals

- IEEE Transactions on Energy Conversion*
- IEEE Transactions on Power Delivery*
- IEEE Power & Energy Magazine*
- IEEE Transactions on Power Systems*
- IEEE Transactions on Smart Grid*
- IEEE Transactions on Sustainable Energy*

Conferences

- IEEE Petroleum and Chemical Industry Technical Conference
- European Conference on Electrical and Instrumentation Applications in the Petroleum & Chemical Industry

For more information about content types, please visit www.ieee.org/digitalsubscriptions

2 of the top 3 oil and gas companies subscribe to IEEE *Xplore*.

Source: 2022 Forbes Global 2000 rankings

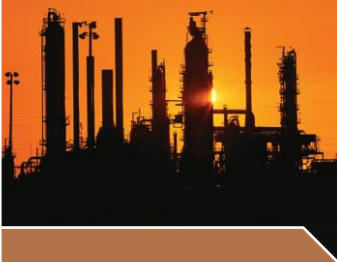

IEEE generates popular oil and gas standards:

- National Electrical Safety Code® (NESC®)
- **835-1994**—IEEE Standard Power Cable Ampacity Tables
- **80-2000**—IEEE Guide for Safety in AC Substation Grounding
- **C57.91-2011**—IEEE Guide for Loading Mineral-Oil-Immersed Transformers and Step-Voltage Regulators

The IEEE Xplore® Digital Library

Find a subscription that's right for you—from tailored journal collections to the entire research catalog—with the IEEE Xplore digital library. Along with journals, magazines, conferences, standards, eBooks, and eLearning, IEEE Xplore delivers:

- The world's most highly cited journals in technology
- More than 5 million full-text documents
- Full-text, searchable PDFs for all documents, and a growing number of HTML documents
- Abstract/citation and bibliographic records for subscribed content
- Daily content updates with up to 200,000 articles added each year
- Multiple search options
- Interactive reference linking
- Free email alerts

Essential IEEE Content in Petroleum and Natural Gas

In today's energy-conscious society, IEEE has the research necessary to help companies compete and prepare for the future. IEEE content remains crucial to the petroleum and natural gas industry—providing research in a wide variety of petroleum and natural gas topics through the IEEE Xplore digital library:

Alternative Fuels

Hybrid/Electric Vehicles	59,700+ documents
Wind Energy/Power	46,800+ documents
Solar Energy, Solar Power, and Photovoltaics	74,700+ documents
Biofuels	2,200+ documents
Alternate Fuel/Energy	4,500+ documents

Petroleum, Oil, and Natural Gas

Hydrocarbons	4,300+ documents
Natural Gas	4,500+ documents
Petroleum	26,400+ documents

Fuel Exploration and Processing

Microtechnology/MEMS	37,700+ documents
Remote Sensing	105,000+ documents
Oil Fields, Exploration, Drilling	2,100+ documents

Energy and Energy Sources

Cogeneration	4,200+ documents
Energy Conversion	34,400+ documents
Energy Management/Power Control	30,900+ documents
Energy Research	8,700+ documents
Energy Sources	33,400+ documents
Renewable Energy	49,800+ documents

Counts are accurate as of November 2021
