## IEEE Xplore® Digital Library Subscription Option

### Superior technology research—and a subscription that grows with your company

Advance innovation with the IEEE Xplore Digital Library subscription designed for organizations with growing research needs. IEEE Enterprise provides access to technology's most trusted research—from IEEE and other highly regarded publishers—with **flexible pricing levels** that meet the needs and budgets of any size company.

### IEEE Enterprise delivers key benefits for your research team:

- **Drive new ideas**, designs, and applications with cutting-edge research
- **Develop better solutions faster** by understanding the technology landscape
- **Stay ahead of advancements** and benchmark competitor research
- **Increase productivity** by reviewing previous research without having to reinvent the wheel
- **Accelerate innovation and patent development** with convenient access to proven research all in one place
- **Share vital information** with a company-wide online file cabinet

### See what your colleagues are reading with the IEEE Xplore file cabinet

Share downloaded documents with colleagues by storing them in a company-wide online file cabinet. Once each unique document is in the file cabinet, anyone in the company can access it without using another download—making it easy to work together and fuel innovation.

Note: The shared file cabinet stores a maximum of 5,000 documents

### Quick Facts

Choose the number of downloads right for your company and access valuable technology research:

Select from nearly 6 million full-text documents

206 IEEE journal, magazine, and transaction titles, including early access articles

All IEEE-sponsored annual conference titles

Backfile to the late 1800s for many titles

#### Now also featuring content from:

- *IBM Journal of Research and Development* archive
- IET: *E&T Magazine* plus proceedings from conferences and events
- MIT Press: eight journal titles
- VDE Verlag: 20+ conference titles
- *Bell Labs Technical Journal* archive
- American Geophysical Union: *Radio Science*
- Oxford University Press: 26 journal titles
- Several eBooks collections containing more than 57,300 full-text documents

IEEE Enterprise offers flexible pricing to meet your organization's specific needs.

# IEEE Enterprise

Delivered through the IEEE *Xplore*® Digital Library

## Access respected technology research that generates results

IEEE *Xplore* includes top-ranked journals and technology research that is cited in patents nearly three times more often than any other publisher. With more than 6 million full-text documents, IEEE *Xplore* is your gateway to approximately 30% of the world's current literature in electrical engineering, electronics, and computing.

## Find relevant research faster with powerful search tools

IEEE *Xplore* combines an easy-to-use interface with powerful search features that make finding relevant research faster and more efficient.

**Search:** With a robust search engine, Basic, Advanced, and Author search options and a "Refine/Expand Results" module let users modify and find results more easily.

**Personalize:** Users can also personalize IEEE *Xplore* to create targeted saved searches and table of contents alerts, and set personal preferences.

**New Features:** These include a simplified sign in process; an expanded search history; My Research Projects enhancements and other personalization features; and the option to follow your favorite IEEE author with Author Alerts.

## IEEE *Xplore* also provides:

- More than 6 million documents in full-text PDF format, with over four million in a robust, dynamic HTML format
- Multiple authentication options for on-site, remote, and mobile users
- Abstract/citation and bibliographic records for subscribed content
- Mobile-friendly design
- Daily content updates

## Get the latest research in a wide range of technologies including:

- Aerospace and Defense
- Biometrics
- Computer Hardware and Software
- Cyber Security
- Electronics
- Internet of Things (IoT)
- Medical Devices
- Nanotechnology
- Optics
- Power Engineering
- Robotics
- Semiconductors
- Smart Grid
- Telecommunications
- Wireless Technology
